

24-core anti-Qatar attack

Overview

On 28 February 2026, 16 people were injured by shrapnel following the interception of an Iranian missile barrage by Qatari air defenses. According to the head of Qatar's Ministry of the Interior, 66 missiles were fired in total and there were over 100 reports of falling shrapnel across the nation. Iran launched what it called a "powerful and destructive missile strike on the U. Dubai: Iran retaliated against US airstrikes on its nuclear facilities by targeting Al Udeid Air Base in Qatar — the largest American military installation in the Middle East.
