

Afghanistan has the most bridges

Overview

These critical connections have been established with support from a project funded by the European Union and implemented by UNDP. Things to do ranked using Tripadvisor data including reviews, ratings, number of page views, and user location. Malan BridgeSee also Road infrastructure in Afghanistan, Road bridges by country, Bridges in Afghanistan by traffic, Road bridges in Asia by country The Tajikistan-Afghanistan Friendship Bridge (Russian: Мост дружбы) connects the two banks of Darvaz region across the Panj River (further downstream known as Amu. Wherever you see a Bridgemeister ID number click it to isolate the bridge on its own page. Built as part of same project as 2004 Tajik-Afghan Friendship - Darwaz, Tajikistan and Darwaz, Afghanistan. The six bridges were constructed or rehabilitated using funds from the Commander's Emergency Response Program (CERP) between 2009 and 2012. We found that the location information maintained in DOD systems was accurate as all six bridges were within one kilometer of their recorded coordinates.
