

Canadian Manufacturer of Small Spectrometers

可选配件

Canadian Manufacturer of Small Spectrometers

GL Gem Spectrometer - Gemology World - Canadian

GL Gem Spectrometer(TM) The GL Gem Spectrometer(TM) 2026 model with new motherboard and "Point & Shoot" software (Version 3.x). Now with integrated fast

New & Used Mass Spectrometers for sale in Canada , Machinio

New & Used mass spectrometers for sale in Canada. Thermo Fisher Scientific, Sciex, Waters, Shimadzu, and Premier. Find used spectrometers on Machinio.

About

Infinite Scientific Limited is a leading Canadian supplier and distributor of advanced portable, laboratory, and process analyzers for elemental, organic, and molecular analysis.

The Analytical Scientist , Small Spectrometers; Big Trends

Small Spectrometers; Big Trends As developments in miniaturized spectroscopy continue apace, are we on the verge of a not-so-small takeover?

High-Performance Spectrometers and Monochromators

We design and manufacture VUV/UV spectrometers & spectrographs, monochromators, VUV/UV light sources and systems, remote sensors for gas

SPECTROMETERS Directory from the Canadian Trade Index

Source and find Canadian SPECTROMETERS manufacturers and distributors listed in the only Canadian industrial directory designed to provide deep company sourcing data.

Spectrometers companies from Canada => chemeurope

Tornado Spectral Systems is a leading manufacturer of chemical analysis and measurement systems using Raman spectroscopy. Tornado's proprietary techniques include the HTVS design which

Mass Spectrometers Manufacturers and Suppliers in the USA and Canada

Manufacturer of mass spectrometers. Suitable for identifying and quantifying unknown compounds in complex samples and confirming trace components at low levels. Mass spectrometry

spectrometers Companies and Suppliers in Canada ,

Metrohm is a worldwide leading manufacturer of precision instruments for chemical analysis. In the field of electrochemical ion analysis Metrohm has been the unchallenged world number one for many years.

Spectrometers and Monochromators , Resonance Ltd.

We design and manufacture VUV/UV spectrometers & spectrographs, monochromators, VUV/UV light sources and systems, remote sensors for gas detection and related products. With over 30 years of

UV and Visible Spectrometers Suppliers in Canada

Locate UV and Visible Spectrometers suppliers, manufacturers & distributors in Canada. Interactive map of Canada provided.

SCIEX

SCIEX is a manufacturer of mass spectrometry instrumentation used in biomedical and environmental applications. Originally started by scientists from the University of Toronto Institute for Aerospace

Spectrometers , Instruments

There are two types of spectrometers: spectroscopes and spectrographs. The first spectroscope was invented in 1814 by the physicist and lens manufacturer

ir spectrometers Companies and Suppliers in Canada ,

We design and manufacture world-class gas analysis systems and emission monitoring solutions to measure gaseous emissions from industrial processes, gases released from natural sources into the

Xrf Spectrometers Suppliers In Canada

Find the top xrf spectrometers suppliers & manufacturers in Canada from a list including Elvatech Ltd., SPECTRO Analytical Instruments - AMETEK, Inc & Malvern Panalytical - a

Spectrometers , Instruments

A spectrometer is an instrument that measures the properties of light over a specific portion of the electromagnetic spectrum. There are two types of spectrometers:

About Us , SPECTRO Analytical

These include handheld spectrometers for applications such as metal recycling to fully automatic sample preparation and analysis systems for the process control in a variety of industries covering difficult

Spectroscopy and Spectrophotometers from Cole

Browse a comprehensive selection of "Spectroscopy and Spectrophotometers" from a wide variety of Material Testing and Physical Testing available on

Elemental Analysis Solutions & Analytical Instruments , SPECTRO

SPECTRO is a preferred manufacturer in many industries, such as metals, chemicals, petrochemicals, environmental, pharmaceuticals, geology, food and more. Our analytical solutions help achieve

Spectrometer Manufacturers

Spectrometer Manufacturers 261 Spectrometer manufacturers listed. A Spectrometer is a scientific instrument used to measure and analyze the properties of light over a specific portion of the

New & Used Spectrometers for sale in British Columbia, Canada

Spectrometers are analytical instruments used to measure the properties of light over a specific portion of the electromagnetic spectrum. They are essential tools in various fields such as chemistry,

Spectrometer Manufacturers

The leading Spectrometer Manufacturers in Canada are listed in this directory. You can narrow down the list of manufacturers based on their location and capabilities, browse their product catalogs, view

Spectra Research Corporation Canadian Suppliers

Welcome to Spectra Research Corporation (SRC), the foremost Canadian supplier of scientific instruments to governments, universities and commercial facilities. Save

Spectrometers & Spectroscopy Equipment , Edmund Optics

Explore optical spectrometers, systems, and components for spectroscopy, detection, and analysis. Ideal for UV-VIS, NIR, Raman, and fluorescence applications. Shop now at Edmund Optics!
