

Core Switch S5700

Core Switch S5700

L2 Managed Ethernet Switch S5700 Series

Product Overview The S5700 series switch is a layer 2 Ethernet switch, which can meet the needs of cost-effective Gigabit access and Gigabit uplink for enterprise networks and operator customers.

Huawei Quidway S5700 Series Configuration Manual

View and Download Huawei Quidway S5700 Series configuration manual - network management online. Quidway S5700 Series switch pdf manual download.

Info-Finder (DatacomMate): One-stop intelligent platform for product

Based on cutting-edge hardware and Huawei's unified platform software, the S5700 provides a large switching capacity, high reliability (double power slots and hardware Ethernet OAM), and high

Huawei Enterprise Sx700 Series Switch Product

The S5700-HI series are the latest gigabit Layer 3 multi-service switches developed by Huawei, with the highest processing capabilities and the most service features of all box switches in the industry.

S5700-LI Switch Datasheet (Detailed Version)

The S5700-LI-BAT is the industry's first switch model that supports internal lithium batteries as a backup power supply. It ensures uninterrupted services in situations where power failures frequently occur at

Huawei S5700 Series Switches Tech-Level Main Slides

S5700 series switches can be used as core/aggregation switches in small- and medium-scale enterprises or branches of large enterprises. S2700 and S3700 switches can

connect to S5700s as

S5700-HI Series Advanced Gigabit Switches

S5700-HI Series Advanced Gigabit Switches The S5700-HI series switches are advanced Gigabit Ethernet switches developed by Huawei, providing flexible gigabit access and 10G/40G uplink ports.

CloudEngine S5700 Series Switches Product Description (V600)

Built on next-generation high-performance hardware, the S5700 provides large capacity, high reliability (two power slots and hardware-based Ethernet OAM), and high-density GE and multi-GE ports, as

HUAWEI S5700/S5710/S5720/S5730 Series Switches

The S5700 series Ethernet switches (S5700 for short) are next-generation energy-saving switches developed by Huawei to meet the demand for high-bandwidth access and Ethernet multi-service.

Product Description

Customers need to take prevention measures. The S5700 Series Ethernet Switches (hereinafter referred to as the S5700) provide the access, aggregation, and data transport functions. They are developed

Huawei S3700, S5700 and S6700 Switches Support Guide, Manuals
