

Distribution Box Label word

Overview

doc format and will open up in all versions of Microsoft Word (including Office 365). Design custom labels for products, packaging, or organization with easy-to-edit label templates. If you need just one label, select Single label from the Mailings > Labels menu and the position on the label sheet where you want it to appear. These templates can be fully customized to include details such as the business name, address, package content, barcode and other necessary information. To do so, follow these easy steps: At the bottom of the drop-down window, select "Custom Margins". In the new "Page Setup" window (under the "Margins" tab), make sure the correct margins (Top and Sides) are entered as indicated on our "GA International labels for laser printers formatting appendix". Our free label templates are available for every size and shape we carry — downloadable instantly in Microsoft Word, PDF, EPS, and JPG formats so you can start designing and printing right away.
