

Do fiber optic adapters have a warranty period

Overview

While standard warranties on fibre optic components typically range from 12 to 24 months, extended manufacturer warranties deliver significantly improved planning certainty whilst reducing total cost of ownership by up to 35 percent over the asset lifecycle. FTI warrants its standard fiber optic products manufactured in Pomfret CT and Naples FL to be free from defects in material and workmanship for a period of one year from date of shipment unless stated otherwise in a separate published warranty. b) Indoor and outdoor fiber optic patch cords, we promise that the goods will be tested and provided with test reports before. Fiberlink provides fiber optic product warranty policy with 1-5 years for customers, If you have any questions just feel free to contact us!The 25 Year Warranty covers all permanent fibre cabling, adaptors and connectors within the horizontal cabling of an Ultima fibre cabling system which has been tested and certified as such in place of the warranty set out in our current terms and conditions of sale.
