

European-style multi-hole cable tray

European-style multi-hole cable tray

Cable Tray Manufacturers In Europe, Electrical Cable Tray Suppliers

Leading Cable Tray Manufacturers In Europe Cable Trays are important for ensuring the protection of the wiring system and supporting insulated electric cables used for distribution and communication.

GAO EU4 Multiple European Plug / Socket Strip 4 Sockets Extra

The cable length is 1.5 m, the cable is flexible and designed for light mechanical stress. This power strip is approved for indoor use only. The multiple socket is space-saving thanks to a flexible strap tab on the plug and a flat design. The power strip has four Euro sockets (CEE 7/16) with increased touch protection

Products

These products are designed to carry heavier cable loads compared to the standard perforated cable trays. This product group offers easiness in vertical applications.
