

Fiber Optic Communication Conference

Overview

We will see you next year: 07 - 11 March 2027 in Los Angeles, California. The Optical Fiber Communication Conference and Exhibition (OFC) is the premier conference and exhibition for optical communications and networking professionals. OFC offers an array of industry discussions around hot topics like generative AI and ML for optical networking, subsea networks, data center architectures, space optics, quantum communications and more. Bringing the latest in semiconductors, IoT, power & more, Electropages is a trusted source for engineers and tech leaders worldwide.
