

# **How much does it cost to customize zinc cable trays**

## Overview

---

TL;DR: Basic wireway systems cost \$8-15 per linear foot, while heavy-duty cable tray installations range from \$12-25 per foot including materials and basic installation. Conduit and Wire Mesh When you embark on a new construction, you would like to know the prices of things. Whether you're planning a big new build, renovating an existing space, or designing something really specific, understanding how to get precise and timely cable tray costs is key. Costs vary based on tray material (steel, aluminum, or fiberglass), size, design (ladder or solid bottom), and installation complexity. Ask ten buyers about cable tray cost, and most of them will point to the rate per meter.
