

# **Huawei Fiber Optic Switch sns2224**

## Overview

---

The Huawei SN2Z03FCSP, also known as the Huawei OceanStor SNS2224 FC Switch, is an advanced fibre channel switch designed to provide robust network performance and high reliability. Equipped with 24 ports, including 12 activated and 12\*16Gb Multimode SFPs, it ensures seamless connectivity for. Inter-Switch Link (ISL) Fiber Expansion: Based on frame link aggregation, multiple ISL links is combined into one logical link, in order to achieve efficient bandwidth utilization and load balancing. Buy used and refurbished server parts at cmicomputer with same-day handling on most items and free shipping! We ensure quality products with warranty.
