

Libyan High and Low Voltage Complete Equipment Factory

Overview

was established in 2009 in Libya to provide reliable power and energy solutions, including diesel generators, lighting towers, solar systems, and electrical materials. Importing and selling of electrical equipment and tools in all fields of electricity. 5 (1997), the door was opened for the General Electricity Company of Libya (GECOL) and Medelec, to form a joint venture company for the manufacture of low and medium voltage equipment. Specialized in industrial maintenance, spare parts supply, and the winding of high-voltage motors and transformers.

Libyan High and Low Voltage Complete Equipment Factory

Libya Low Voltage Power Cable Plant-Turnkey Solution -

New Turnkey Project: Building a Low-Voltage Cable Factory for Libyan Client As a professional provider of turnkey solutions for cable manufacturing plants, our company has recently

Low Voltage Switchgear Specification

This technical specification document outlines requirements for low voltage switchgear and control gear assemblies for distribution stations in Libya. It

Libya

Low-voltage, medium-voltage, and high-voltage cables Overhead Transmission Line (up to 500 K.V) Special Cables Indoor Wires Optical Ground Wires (OPGW) Fiber Optics Cables Cable Accessories

HEISCO

Al hussain for Electrical Industries and Services Company has a factory equipped with the latest CNC machinery and tools to manufacture its products with high

About Us - EICO Co

Medelic itself is a joint venture company between Libyan shareholding, the Maltese Government and AREVA The company manufactures electrical equipment

Altazamon

Altazamon Company was established in 1998 as a successful model in the field of engineering and assembly of electrical panels and related services. Altazamon

AlFath Al Dahabia Company ,

Importing and selling of electrical equipment and tools in all fields of electricity. Implementation and supervision of all electrical projects, high voltage, medium

Medium and low voltage equipment factory

Medium and low voltage equipment factory Product Name100A MCCB WITH ENCLOSUER160A MCCB WITH ENCLOSUER200A MCCB WITH ENCLOSUER320A MCCB

WITH

Low and high voltage equipment

Low and high voltage equipment The choice of each element of the electrical network, whether it is an electricity meter or a high-voltage transformer for an

Libya Tools Company for Importing Industrial Equipment

In (2021), the company was named to its current name: Libya Tools Company for Importing Industrial Equipment (LTC) (Headed by Eng. "Ahmed Al-Shhebi" (General Manager of the company) the

Home

Specialized in industrial maintenance, spare parts supply, and the winding of high-voltage motors and transformers. We empower Libya's factories with expert solutions.

Africa Equipment Co.

Africa Equipment Co. was established in 2009 in Libya to provide reliable power and energy solutions, including diesel generators, lighting towers, solar systems, and electrical materials.

Wikaya Solutions , High Voltage Electrical Solutions

Procurement & Full Scope of Supply Complete sourcing and supply of high voltage equipment, transformers, switchgear, cables, and industrial electrical components.

?????? ???? ???? ???? ? ???? ???? ???? ???? - Built with

Performing the design and engineering works for generation plants, and low, medium & high voltage stations. Carrying out design works and electrical engineering works for all domestic and industrial

Elite Engineering for General Construction Company

Our Company is one the top competencies and global experience companies in the electric field, unique and the most modern technical equipment. Our company

About - Alatwar

Professional and Semi-Professional Manpower solutions. Supply & installation of power generators. Service and Maintenance contracting. Supply & installation of low-voltage equipment. Supply &

AHK COMPANY

AHK Company is a Libyan company specialized in the trade and supply of low and medium voltage industrial electrical materials and equipment to serve infrastructure projects, factories and contracting

About Us - EICO Co

With the introduction of Law No.5 (1997), the door was opened for the General Electricity Company of Libya (GECOL) and Medelec, to form a joint venture

Corina Company - supplying and installing electrical

Corina Company has implemented many projects in the field of supplying and installing electrical and mechanical systems in most areas in Libya in the private

Libya High Voltage Equipment Market (2025-2031) , Forecast & Trends

6Wresearch actively monitors the Libya High Voltage Equipment Market and publishes its comprehensive annual report, highlighting emerging trends, growth drivers, revenue analysis, and

Switchgear Manufacturer, Medium, Low & High Voltage

DOHO Electric provides high, medium, and low-voltage switchgear, components, transformers, and new energy solutions. Our products--such as

teco-libya

Technical Engineering company (TECO) has established in 2015 by Engineer Moaid Al Hejazi in Benghazi, Libya. It works in electrical and mechanical engineering fields such as supply chain and
