

Maldives fiber optic cable failure

Overview

Ooredoo Maldives has confirmed that internet services in the country remain unaffected despite reports of a major submarine cable disruption in the Red Sea. Today, we're announcing Dhivaru, a new Trans-Indian Ocean subsea cable system that will connect the Maldives, Christmas Island and Oman. This investment will build on the Australia Connect initiative, furthering the reach, reliability, and resilience of digital connectivity across the Indian Ocean. The Maldives Fiber Optic Cable Market is projected to witness mixed growth rate patterns during 2025 to 2029.
