

Myanmar APC Integrated Data Center Micro-Module Manufacturer

Myanmar APC Integrated Data Center Micro-Module Manufacturer

APC, a flagship brand of Schneider Electric, Data Center

Learn about several next generation products from APC, a flagship brand of Schneider Electric, aimed at helping meet the needs of the modern data

Prefabricated Data Center Case Study 100720

The solution is a uniquely-designed integrated modular data center that's encased in a heritage facade matching that of the architecture in Yangon. The modern facility is expected to handle the customer's

Solutions - Core Technologies Myanmar

As a company offering Data Center, cabling infrastructure and power solutions, we are committed to offering the best possible service to our customers. And, we

Micro Modular Data Center

All in one 20F Container MDC fully integrated with standard rack, wall mount cooling, AC/DC power, battery, power distribution, security, monitoring and fire systems.

Convergent Myanmar Co., Ltd.

Convergent Myanmar, part of Convergent Group, is a distributor for IT Products in Myanmar, in Yangon. Our brands include APC, Audio Technica, Aztech, Corsair,

Modular Data Center & Edge Data Center

Since 2010, DOBE Computing has been a leading manufacturer of modular data centers, containerized data centers, and edge data center solutions. Our turnkey

Micro Data Center

Delta's modular datacenter solution offers a datacenter environment that provides safe equipment operations within the racks, and supports the development and

Prefabricated and integrated data center solutions

Overview With a complicated data center project that has short delivery timelines, prefabricated modular solutions and pre-engineered modular solutions may be

EcoStruxure(TM) Micro Data Center , Schneider Electric

Reliable EcoStruxure Micro Data Center offers comprehensive solutions with power, cooling, security, and management for commercial and industrial environments.

Micro Data Centers / Mini Data Centers

Due to their compact design, micro data centers and mini data centers can be deployed at the edge of the network and are often used for edge computing applications. They contain all of the compute,

APC - Convergent Myanmar

APC The leading name in IT departments large and small and among our vast community of channel partners, our history of innovation has pushed our products

EcoStruxure(TM) Modular Data Center , Schneider Electric

Schneider Electric's modular data center solutions are designed to be quickly deployed, meaning they can be set up and operational in a short amount of time.

Micro and Modular Data Center Construction

Micro and modular data centers offer businesses and organizations an agile, scalable, and cost-effective solution to meet growing IT demands. Whether you

APC - Convergent Myanmar

The leading name in IT departments large and small and among our vast community of channel partners, our history of innovation has pushed our products into the global spotlight with

Micro Module Data Center Solution

Micro module data center SDC300-M solution is a rapid, efficient, convenient, intelligent management, integrated data center solutions that be released for fast demand of cloud computing,

Solutions - Core Technologies Myanmar

Highly efficient all-in-one micro data center solutions offering a complete, compact

server room and portable modular data center

Data Center Solutions , Solutions , Legrand Myanmar (Burma)

Solutions for easy creation of all possible data center optical fiber structures and copper solutions in complete freedom. For distributing power in cabinets, remote measurement and control, encrypting

Solutions

Micro Data Center Delta InfraSuite is a new generation, highly integrated modular datacenter solution. It uses racks as the datacenter carrier and fully integrates all

Intelligent Molecules Co.,Ltd.

Intelligent Molecules Company (IMC) was founded in 2018 in Yangon, Myanmar. Our mission then, and now, is to develop quality technology solutions and provide reliable support for many different types

Going Green with Micro Data Centers

Just as their containerized counterparts, micro data centers include prepackaged environmental and security systems, an immense benefit that could never be recognized with traditional data centers.

Micro Module Data Center Integrated Power and Cooling for Small Data

With a construction area of over 180,000 square meters in Yuyao, Ningbo, the company is dedicated to becoming a professional manufacturer integrating R&D and production of data center infrastructure

ISO Integrated Containment Solution , Maha Power

CITEC IRC series is a pre-assembled self-contained solution integrated with key Data Center components within a compact rack unit including precision cooling,
