

Oman Low Voltage Complete Equipment Company

Overview

We provide customized low-voltage switchgear and electrical panel solutions for diverse industries, including commercial, residential and infrastructure sectors across Oman. Al Hassan Electricals Company LLC (AHE), the flagship company of the Al Hassan Group belonging to Trading SBU, established in 1975, is today known as "One-Stop-Shop" for a variety of electrical products and is the largest distributor of Power Control, Metering, Sub-station Equipment, Cables. Established in 2010, Ocean Wind Switchgear (OWS) was originally a division of Atlas Modern Engineering Services & Trading L. Today, OWS operates as an independent company and stands at the forefront of low voltage (LV) switchgear manufacturing in Oman. That means being the best in terms of quality, durability, innovation, technology, delivery and profitability.
