

Safe City Co-packaged Optical High Temperature Resistant Door-to-Door Transportation

Safe City Co-packaged Optical High Temperature Resistant Door-to-

Dahua Safe City Solution

Serving more than 1,000 clients worldwide specialized in public security Leading technologies like video analytics and cloud help to protect city today and tomorrow More than 5,000 experts in R& D to

Package Receiving , Secure Wall Pass Through

Fasco offers our double door wall pass through for secure package receiving. From bullet resistant materials and heavy duty construction, to the interlocking doors, this wall pass through provides

AI-Powered Smart DoorBox with Twin Cameras , First-Ever

Amazon : AI-Powered Smart DoorBox with Twin Cameras , First-Ever Image-Proof Delivery Box , Loud Alarm , Weather & Tamper Resistant , Temperature Monitored for Safe and Secure Package

Co-Packaged Optics in Public Safety Networks: Resilience

Discover how CPO technology achieves ultra-low latency for emergency response systems while boosting reliability through direct optical integration.

Security doors RC2 to RC4 , burglar-resistant & robust

The use of security doors is wide-ranging, reaching from home basement doors to

securing IT rooms, to super market exit doors, all the way to highly secure areas

Optical Safety Edges

With a mixture of Co-ex PVC profiles and EPDM rubber for safety edges on Garage and Industrial doors. The mixture of Rigid and Flexible materials creates a constant high quality, optimised optical safety

Fireproof Door + Bullet Proof up to 2 hours , SAFTI FIRST

Our complete line of GPX Ballistic provides any accommodation to your project. Fireproof and/or bullet proof doors with up to 2-hour rating. Learn more.

Sensor-Sets for automatic doors

The HÖRMANN SKS optical transmitter set is compatible with HÖRMANN systems and can be ordered with different cable lengths. The sensor sets available from

Automatic Door Sensors , OPTEX Europe

Our portfolio includes safety and activation solutions for automatic swing, sliding, and revolving doors, as well as products for secured entry and industrial door applications like roll-up and

Safe Room , Panic Room Doors With Decorative Wood

Providing high security steel safe room and panic room doors with single motion multi-point locking. Quick lead times, contact us now for a door quote!

Fire rated Doors , TECFIRE , Fire Resistant Glass Products , Glass

Our high degree of specialization enables us to deliver the most innovative glass protection systems, encompassing everything from fire-resistant glazed solutions to bullet and burglar resistant glass

Bulletproof Windows, Glass, & Doors Manufacturer , TSS

Total Security Solutions--Since 2004, we have manufactured and installed over 30,000 custom bulletproof glass windows, doors, walls, and ballistic systems.

Fireproof doors with certificates from / Solid 55

Fire resistant casing, black polyamide with dyed lock and press key (with insert for replacing the cartridge). RAL color powder painting option, unique design - high-resolution decorative digital

Automatic Door Sensors , OPTEX Europe

OPTEX offers high quality automatic door sensors for commercial and industrial applications with a key focus on reliability, safety and user comfort.

Vetrotech_Fire-safety & high-security glass solutions

With its minimized design and greater transparency, this innovative single or double door can enhance the quality and safety of any interior space bounded by fire resistive construction.

Dahua Technology

Dahua Technology is a world-leading video-centric AIoT solution and service provider. With its 'Dahua Think#' corporate strategy, Dahua Technology focuses

Separate optical safety edge complete

Separate optical safety edge complete Art. nr.: 111003004 Optosensor kit: - Spiral cable (4x750mm) - Junction box with terminal board - Set optosensors Weight:

Optical Safety Edge , Safety Equipment , Safety Devices

The Optical Safety Edge uses a light beam to detect interruptions, stopping doors from closing on obstructions. Compatible with most control panels, it offers IP68

Temperature Screening

Measuring the maximum temperature value in a fixed small area. After face authentication, the maximum temperature value of the fixed area is obtained for display.

Safe City Solution Brochure

The Hikvision Safe City Solution provides sound, stable, and reliable municipal security. It features a series of advanced technologies and various security subsystems to safeguard industries, centralize

High-speed door HS 5012 PU N 42 S

With a height of 550 mm, the particularly high door sections of the HS 5040 TurboLux S offer generous visibility without vertical rails, providing a transparency

High Security Door Contacts and Proximity Sensors

HSI's trusted line of UL 634 Level 2, fully customizable, smart magnetic sensors are fail-safe and are engineered to perform reliably and consistently in the harshest of

Optical Security Tag Package , Self-Install System with

Protect your eyewear with the Optical Security Tag Package. Includes 500 tags for eyeglasses and sunglasses, a multifunction detacher, and a clear

HIGH TEMPERATURE CAMERAS

HIGH TEMPERATURE CAMERAS Canty High Temperature Camera Systems feature a fused glass seal standard with every model. This unique seal provides

Fire Rated Glass & Framing Manufacturer , SAFTI FIRST

SAFTI FIRST® is a leading USA-manufacturer of fire rated glass and framing for doors, walls, windows and floors up to 2 hours for over 40 years. Contact us!

High Temperature Seals , High Temperature Gasket

In addition to withstanding high temperatures, our products also offer durability, as well as resistance to chemical attack and abrasion. Many THERMOPAK ®

Co-packaged optics (CPO): status, challenges, and

Co-packaged optics (CPO) combines photonic devices with high-performance electronics via advanced packaging to form a solution that shortens
