What does the G in the distribution box represent

IP65 / IP67 Sealing Design

**Reserved Bottom
Mounting Holes**

Overview

Distribution Code G in Box 7 of Form 1099-R means your retirement funds moved directly from one plan to another in a direct rollover, and the transfer is generally not taxable. Process and Instrumentation Diagrams (P&ID) are essential tools in engineering, particularly in industries such as oil and gas, petrochemicals, power plants, and manufacturing. These diagrams provide a detailed graphical representation of a system's piping, instrumentation, and control mechanisms. June 7, 2019 2:58 PM The previous answers pertain to Form 1040 for years prior to 2018. From what I can tell online, code G is supposed to mean a rollover?

But that makes zero sense to me. Codes G and B together in box 7 indicate that this was a **direct** rollover, **not** a 60-day indirect rollover, between Roth accounts in qualified retirement plans.

What does the G in the distribution box represent
