

Where is the fireproof cable tray factory in Indonesia

Overview

Our Brand (SCM B-Tray) was established in 2006 in Jakarta as a manufacturer of cable trays, ladders, and electrical components. We manufacture and supply high-quality cable ladders, trays, and conduit systems — trusted by industries nationwide for durable and efficient installations. Since the 1990s, Nobi cable trays have been installed in various facilities across Indonesia, have established a reputation as the gold standard in Indonesian government projects, and the superior quality is often stated as the benchmark in technical specifications.
